Please enquire

For your Health and Safety as well as ours,

We will ask you to wash your hands with soap on arrival and use provided hand sanitiser when seated at our desks.

You will need to check in with the QR code and show your vaccine certificate. We will mark you off in our system so we don't need to ask again.

You will need to be double vaxed to enter our salon.

Mask wearing is compulsory until further notice.

We will be cleaning each desk after each client and regularly cleaning any frequently touched surfaces such as door handles and basin areas to help prevent contamination.

We have installed protective sneeze screens on the desks.

We will ensure appropriate sterilization of relevant equipment between clients, where appropriate.

Every client has their own nail files that we keep in our filing system for your next appointment.

No food or drinks (including coffee) are to be brought into the salon. This is because we don't want people taking their masks on and off.

We will ask at this time that you come to your appointments alone. We have a strict head count in the salon and cannot exceed this by having family members and friends come in with you.

We will be asking you to confirm that you have not been unwell in recent weeks or been around anyone who has been unwell. This will be in our terms and conditions when booking online.

We ask that your handbags and personal belongings be placed into provided plastic containers, the contents cannot be touched during your appointment. Containers will be cleaned after every use.

Tap and go is the preference for payment as we would prefer to not handle cash.

We have removed testers from retail area.

There will be no refund on any retail products due to the current Covid-19 situation so please choose carefully.

All of the above items can change at the salons discretion.

Thank you for your understanding.
